Maximum 3 oil changes in one year. Must service at this location. See dealer for details. *Under the 5-Day Exchange, a customer is guaranteed on exchange if 1) the vehicle is returned to the dealership where the vehicle was purchased within five (5) days from the date of purchase (with the five-day period being extended by one day if the final day of the five-day period falls on a weekend day or a holiday when the dealership is closed); 2) the customer returns the vehicle in "like new" condition (e.g., the entire automobile has not been in an accident and is free from modifications, dents, scratches, tears, breaks, cracks, stains, etc.); 3) the customer has driven the vehicle less than 300 miles from the date of purchase/lease; 4) the customer-purchased/lease vehicle is free from any outside lien. Customer acknowledges that if a trade-in vehicle is part of the payment for the pre-owned vehicle, their trade-in vehicle may not be available in the event they exchange the vehicle. Customer further acknowledges their personal responsibility for the negative equity on their trade-in (calculated as the difference between the actual cash value of the trade-in and the amount owed on the loan).
